Holy Trinity

The Holy Trinity is not a puzzle to be solved but a reality to be lived. Today's feast reminds us that the life of God is a community life. Within God there is a relationship of profound love between the Father, the Son and the Holy Spirit. Because we are made in God's image and God is a communion of love, we all long for communion with others. As we profess our belief in the Trinity, today, we also commit ourselves to building communities of love, wherever we find ourselves.
