Week beginning 2nd June 2024
Corpus Christi Year B

Today we celebrate Corpus Christi the Feast of the Body and Blood of Our Lord Jesus Christ. We give thanks and praise and honour to His holy presence in the Eucharist. Jesus has given us the gift of Himself to nourish and sustain us and unite us to Him and He promises to be with us always to the end of time. Out of total unconditional love for us Jesus has used unleavened bread and wine as a memorial of His death on the cross and it becomes food for our souls. When we receive Him into our hearts He makes us one with Him and his Father and the Holy Spirit; through Him and all of us together we become a communion of love and a united family of God. The Eucharist transforms our lives and gives us a desire to serve God and one another; we forget about ourselves and are more concerned for others. What began in the upper room at the Last Supper when Jesus made a

new covenant with God in behalf of the people now nourishes and sustains us forever. Jesus in the Eucharist is the centre and heart of our faith and His Church and should be the centre and heart of each of our lives. We are no longer left on our own as we journey through life. By attending Holy Mass and receiving His Sacred body and blood we participate in His life death and resurrection which has redeemed the world. There is no other way we can be reunited with God except through his Son Jesus. May we always adore and honour Jesus in the Blessed Sacrament and have complete respect and reverence in His real presence.
