## Reflection: The following is food for thought...

The most destructive habit is worry.  
The greatest joy is giving.  
The greatest loss is that of self respect.  
The most satisfying work is helping others.  
The greatest boost we can get is encouragement.  
The greatest problem to overcome is fear.  
The most effective sleeping pill is peace of mind.  
The most crippling parasites to progress are excuses.  
The most powerful force in life is love.  
The greatest soother and comforter is prayer.  
The most dangerous pariah is a gossip.  
The world's most incredible computer is our brain.  
The worst thing to be without is hope.  
The deadliest weapon is a sharp tongue.  
The two most powerful words are 'I can'.  
Our greatest asset is faith.  
The most worthless emotion is self pity.  
The most beautiful attire is a smile.  
The most appreciated word is 'Thanks'.  
The most contagious spirit is enthusiasm.  
Be yourself, be proud of who you are & let your light shine.  
Don't let anyone take away your something special and  
live life as full as you can today because we have no idea  
what tomorrow might bring.
