Day of Life: A dedicated day celebrating the beauty and dignity of all human life!

‘All life has inestimable value even the weakest and most vulnerable, the sick, the old, the unborn and the poor, are masterpieces of God’s creation, made in his own image, destined to live forever, and deserving of the utmost reverence and respect.’

‘As believers, how can we fail to see that abortion, euthanasia and assisted suicide are a terrible rejection of God’s gift of life and love? And as believers, how can we fail to feel the duty to surround the sick and those in distress with the warmth of our affection and the support that will help them always to embrace life?’

Father’s Day Prayer!

He never looks for praise.

He’s never one to boast.

He just goes on quietly working for those he loves most.

His dreams are seldom spoken.

His wants are very few, and most of the time

His worries will go unspoken, too.

*He’s there ..a firm foundation through all our storms of life,
a sturdy hand to hold onto in times of stress and strife.*

A true friend we can turn to when times are good and bad.

One of our greatest blessings, the man we call Dad.

Silent Strong Dad by Karen K. Boyer.

HAPPY FATHER’S DAY!
