Providing compassionate care at the end of life - To address the sensitive issue of compassionate care at the end of life, and in response to the need to inform the faithful of Catholic teaching on this important life issue that affects so many families, the Bishops of Ireland have published the pastoral letter: *Freedom to Live Fully, Until Death Comes*. The key message asserts that every person possesses inherent, infinite dignity that remains intact regardless of their circumstances. In this context, bishops strongly oppose the Oireachtas Committee's proposal to Government to legislate for assisted suicide and call on support for healthcare workers who uphold the sanctity of life. Copies of the statement will be on the diocesan website.
