REFLECTION

Grandparents

Grandparents bestow upon their grandchildren the strength and wisdom that time and experience have given them.

Grandchildren bless their grandparents with a youthful vitality and innocence that help them stay young at heart forever.

Together they create a chain of love linking the past with the future.

The chain may lengthen, but it will never part.

Grandparents are a family's greatest treasure,
The founders of a loving legacy, the greatest storytellers,
The keepers of traditions that linger on in cherished memory.

Grandparents are the family's strong foundation.
Their very special love sets them apart. Through happiness and sorrow, through their special love and caring, grandparents keep a family close at heart.

Trip to Knock Shrine

Fundraising Coffee Morning.

Join us after Mass on Sunday Aug 4th for a cup of Tea or Coffee and a chat. We have made lots of improvements to the hall at the Ballinskelligs Community Centre over the last year with a new sound system. Lighting system. Upgrade to toilets. Refurbished floor and much much more. The Hall is the hub of the community and we would love to share our little achievements with you. We will have some old and new photographs on display and we will be highlighting what we do in the Centre. We are very excited to have been nominated by Kerry County Council for a national Pride Of Place award and this is in recognition of the work done in the community. More news on this later.
