## Twentieth Sunday in Ordinary Time 18 August 2024

There was once a king who engaged a street artist to make a painting of the Last Supper. He wanted a picture of Jesus and his friends at their farewell meal for his banqueting room. The artist had Jesus and his friends around the supper table, but he also included all kinds of people around the table, showing people from many races. There were sick, lame and crippled; men and women; young and old; beggars and misfits and some not very nice people. When the King saw the painting he went into a rage, 'Of what is this a painting?' The artist said 'Your Highness, this is a painting of God who delights in all people; all saints and all sorts are welcomed to the Kingdom and the earthly banquet...and that is my understanding of the Last Supper, Holy Communion and Eucharist.'

What we receive in the small piece of bread or the sip of wine at the Eucharist is the gift of life from Jesus. It is the gift of God who has become one of us. It is the gift of love with sacrifice. If we have put self out for others in big or small ways, or have cried for another's woes or laughed for another's joy, or held a hand in sympathy or just listened when there were no answers, we know the quality of this gift. In the Eucharist God is close in his creation, In Jesus we can recognise God near at hand. Pope Benedict writes - 'we have to rediscover God, not just any God, but the God that has a human face, because when we see Jesus Christ we see God'.
