The diocese is hosting a webinar to celebrate the **Season of Creation on 12th Sept at 7.30pm.** Go to www.dioceseofkerry.ie for more information and to register. Speaker Dr. Niamh Brennan, educator and writer will focus on what is arguably the most critical crisis of our time, the climate crisis, whose effects are growing in our daily lives and raising concerns about the future of all life. Niamh will help us to celebrate the Season of Creation and to move forward *To Hope and Act with Creation.*

World Day of prayer for the care of Creation!
*Pope Francis’ Season of Creation
sets out to awaken our respect for creation.
It invites us to see the world, not as something apart from us,
But as a delicate and interlocking set of relationships
Of which we are part.
It invites us to appreciate our world through the lens
Of God’s love in the making of our world
and in all our relationships in it.
The Season calls us to be thankful,
Overwhelmed by gratitude for being called
by God to be part of it.
The season of creation is a time to attend to our world,
To celebrate its beauty and respects its delicacy,
And to join others in coming to its defence.*
