***Big Choices!***

*We remember big and small choices in life.*

*Ones that effected life totally like a job,*

*Marriage, retirement, redundancy:*

*having an operation or many more.*

*Or choices about the children that effected their lives –  
school, moving house, health issues.*

*Life is made up of many choices, big and small.*

*human spiritual and religious choices.*

*Peter had this sort of choice today.*

*Would he go after Jesus or leave like others did.*

*He stayed.*

*if you choose Jesus then the hunger of the world*

*As well as the tears of a baby affects you.*

*What we do in love for others comes from the deepest part of life.*

***Lord we pray for support and strength in our following of you!***
