**REFLECTION**  
*Better Place*

Tomorrow will be better, right?  
 That depends. What do you mean better?  
 Anything better than today.

Tell me about today so that I can help you with  
 tomorrow.  
 I just felt so deeply hopeless and so terribly lost and the  
 kind of tired that does not go away with sleep.

Oh, you mean you felt defeated.  
 Yes, everywhere I looked, I only saw direction I tried to  
 run, I was met with another obstacle.

You never ran.  
 What do you mean? I have run for most of my life.  
 Everywhere I go, I leave a wake of broken pieces.

You never ran – to ME. You don't need a better  
 tomorrow my child, you need a better place to run to.
