REFLECTION

Love

Love is what we are born with.
 Fear is what we learn.

The spiritual journey is the unlearning of fear and prejudices and the acceptance of love back in our hearts.
 Love is the essential reality and our purpose on earth.
 To be consciously aware of it, to experience love in ourselves and others is the meaning of life.

Meaning does not lie in things.

Meaning lies in us.

~ Marianne Williamson

Love yourself enough to express your wants and needs.
 Love yourself enough to tell the truth.
 Love yourself enough to keep yourself safe.
 Love yourself enough to say enough is enough when enough has become enough. ~ Cleo Wade
