**SEASON OF CREATION**

The Diocese of Kerry under the leadership of Bishop Ray Browne joins dioceses across Ireland and Christian churches globally, in calling us **To Hope and Act with Creation** this 'Season of Creation'. "Parishes are asked to expand their circles of solidarity, to protect and care for biodiversity and creation on 30% of their grounds, and to care for this as a haven for pollinators and biodiversity, that can be enjoyed by the whole community." Catholic bishops of Ireland 2023

Now as the Season of Creation 2024 gets underway, Bishop Ray Browne and The Justice, Peace and Integrity of Creation Committee (JPIC) reiterates this call to all parishes across the diocese. Clear step by step measures are being outlined for parishes to make changes and become more biodiverse.

During this special time parishes are encouraged, through their parish pastoral councils to discuss and take steps *To Hope and Act with Creation* in a way appropriate to their own particular grounds.

The Diocese will host a **Webinar** with Dr Niamh Brennan on **September 12<sup>th</sup>** inviting people to register and join this online session, growing awareness around the season and this year's theme. Register on the diocesan website. The Radio Kerry programme 'Horizons', the daily 'Just a Thought', the diocesan website, Facebook and Instagram will all highlight the theme across the Season.
