Some people are like wheelbarrows – no use unless they are pushed. Others are like rugby balls – you just can't tell which way they will bounce. The most useful folk are like watches, quietly getting on with the job, always dependable and full of good works.

Parishes are invited to *Season of Creation* practical events:

1. In Tralee, Our Lady and St. Brendan's Parish on 28th Sept from 10.15am to 1.00pm for those beginning a project to return to biodiversity
2. Killorglin Parish, on 28th Sept from 10.30am for those who would like to visit and learn about the project which they have developed over the past number of years.
