Just a thought.....Playing our part in God's kingdom.

There was once three young trees growing together in the forest. They were young, healthy and ambitious. They compared their dreams. One wanted to be part of the structure of a castle or palace, so it would be a spectator in the lives of the high and mighty of society. The second wanted to end up as the mast in one of the tall ships, sailing around the world with a great sense of adventure. The third hoped to end up as part of some public monument, where the public would stop, admire, and take photographs.

Years passed by, and all three were cut down. The first was chopped up, and parts of it were put together to form a manger for a stable in Bethlehem. The second was cut down, and the trunk was scooped out to form a boat, which was launched on the Sea of Galilee. The third was cut into sections, two of which were put together, to form a cross on Calvary. Each had a unique and special part to play in the one great story of redemption. Let us too play our part in God's great act of building up His kingdom.
