Thought for the day: Each generation is
addressed by Jesus' question in today's
Gospel (see over) and each generation must
speak for itself. So must we as individuals
within the community of faith. *Prayer:*
*Great and loving God, as we stand before
the mystery of your disclosure in Jesus of
Nazareth, we ask for great faith, deep
understanding and, above all, love.
Knowing him, we love him, loving him we
confess him as the Messiah, the Son of
God.*

Pope Francis on X: All peripheries are at
the centre of Christ's heart. The Gospel is
full of people and stories that are situated
on the margins of existence, but all are
called by Jesus to become protagonists of
the hope He came to bring.

Pope's Intentions for September: We
pray that each one of us will hear and take
to heart the cry of the earth and of victims
of natural disasters and climactic change,
and that all will undertake to personally
care for the world in which we live.

children, who will be receiving their First
