Thought for the Day
John Paul II said that as a young man, praying the Living Rosary helped him realize that not only does Our Mother Mary direct us towards Christ, but Christ also directs us towards His mother. Christ is saying 'look what marvels I have worked for my mother.' Devotion to the saints and especially to Our Lady, is so important because it marks out why our faith is so special. God's grace is not something superficial but penetrates the core of our being. God has promised to make us like Himself. Our Lady is the first in whom this promise has been fulfilled, and so she is worthy of the highest of praise.

WORLD MISSION SUNDAY

This year's Mission Sunday theme is a reminder of our duty to "Go and invite everyone to the banquet". The theme, from the parable of the Wedding Feast in Matthew 22:9, is given to us by Pope Francis, who reminds us that the least of our brothers and sisters are the special guests of the King. Our role is to share with them this good news.

Prayer

O God,

it is your will that all should be saved and come to the knowledge of the truth. Look upon your abundant harvest and send workers to preach the gospel to every creature, so that your people, gathered by the word of life and supported by the power of the sacraments, may advance in the way of salvation and love.

We ask this through our Lord Jesus Christ, your Son, who lives and reigns with you in the unity of the Holy Spirit, God for ever and ever.

Seeing your life through the lens of The Gospel,

1. Jesus had spent much time teaching his followers that discipleship was a life of service, a life of giving oneself for others. In spite of that James and John were thinking of what they could get out of it. For Jesus, for the apostles, and for each one of us, the glory of God is revealed when we allow God to work through us as we give ourselves for others. When have you found that you reach a fuller life, and others benefit, when you act in this spirit of service?

2. One of the great problems in a community, a parish, or an organisation, is when you have some people jockeying for status and positions of power. The good of the group and the people it serves take second place to personal prestige. You have probably seen this happen. Perhaps you have also witnessed people with a spirit of service that allowed them to value the good of the group over personal rewards. Recall them and give thanks for their witness.

3. Is it not true that people who are servant leaders are also good listeners? This is at the heart of the synodal process being promoted by Pope Francis for communities at all levels in the Church. How is good listening being promoted on communities to which you belong? What encourages you to be a good listener?

4. Jesus himself is the great model of this spirit of service. Think of the aspects of Jesus' life and ministry, that have inspired you to imitate his giving of his life for others.
