A Day of Prayer and Fasting - Pope Francis has called for a day of prayer and fasting on Monday October 7, the one-year anniversary of the outbreak of the Israel-Hamas war. "In this dramatic hour of our history," the Pope said, "while the winds of war and the fires of violence continue to devastate entire peoples and nations," the Christian community is reminded of its call to "put itself at the service of humanity." On October 6, he will visit the Basilica of Saint Mary Major where he will "address a heartfelt petition to the Blessed Virgin Mary" for peace.

About Today

On our journey through life, we pause here for a while, to offer worship and praise. We remember God's goodness and ask for the gift of wisdom as we continue to hurry towards the Kingdom.

Prayer
God of wisdom, whose word probes the motives of our hearts, with you all things are possible. Let worldly treasure not keep us from Jesus, who looks on us with love. Free us to leave all things and follow him, who lives and reigns with you in the unity of the Holy Spirit, God for ever and ever.

Introduction to the Scripture Readings
Wisdom 7:7-11 — A reflection on the gift of wisdom, presented as the greatest gift anyone could receive.
Hebrews 4:12-13 — God's word is powerful, it cuts through us and exposes what is wrong
Mark 10:17-30 — The rich young seeks a simple way of entering heaven, since money is no problem to him. Jesus tells him money itself is a problem, but then reassures that God can save all, whatever their wealth.

Seeing your life through the lens of The Gospel,
1. Marriages can break down, but in this story Jesus appears as the wise person urging people to seek first the original harmony where possible, rather than seek escape routes when difficulties arise. When have you found that, in marriage or in other relationships, the bonds have been strengthened when you have been prepared to work through difficulties?
2. There are other things that we needlessly and wrongly put in opposition: young and old, male and female, people from different cultures, body and soul. Perhaps at times you have discovered the advantages of exploring the richness in combining such apparently exclusive opposites.
3. The children in the second story can be taken as representing any group of 'little ones' whose opinion we may be inclined to dismiss. When have you found that you have been taught an important lesson about life, about love, or about faith by people whose views you had been inclined to dismiss?
4. Children's curiosity and questioning can also give us a lesson. Their desire to know and understand the world around them can serve as an inspiration for us and we seek an ever deeper understanding and appreciation of how our faith can enrich our lives.

St John Henry Newman (1801-1890) Prayer
Fragrance Wherever I Go:
Dear Lord, help me to spread your fragrance wherever I go.
Flood my soul with your spirit and life. Penetrate and possess my whole being so utterly that all my life may only be a radiance of yours.
Shine through me, and be so in me that every soul I come in contact with may feel your presence in my soul. Let them look up and see no longer me, but only you, O Lord!
Stay with me and then I will begin to shine as you do; so to shine as to be a light to others. The light, O Lord, will be all from you; none of it will be mine.
It will be you shining on others through me.
Amen

Thought for the day
Praying the Rosary

The Rosary is not an optional extra. It has the potential to transform our lives if we are willing. So where does that leave those of us who genuinely find it difficult to concentrate whilst praying the Rosary? Despite feeling I don't pray the Rosary particularly well, over the last few years in which I've been praying it on a daily basis, there are several things I've come to realize. Whilst we can pray the Rosary to varying degrees of perfection, it is not really possible to pray the Rosary badly. Although we should always hope that we might learn to pray the Rosary better, we are never worse off for praying it. *Robert Verrill OP*

The Bishops' National Vocations Office, in collaboration with the local Diocesan Vocations Directors, have arranged a series of open-days themed: *Exploring Priesthood*, across three regional locations. Following the success of previous years, these open-days are an opportunity for Catholic men aged 18 and over who would like to find out more about the ministry and life of a diocesan priest; how to discern a calling to be a priest; and, to understand what is involved in seminary formation. The open-days will provide participants with a supportive and confidential space to explore Priesthood to attend see - www.vocations.ie
