**Kindness during Life**

I would rather have one little rose  
From the garden of a friend,  
Than to have the choicest flowers  
When my stay on earth must end.  
I would rather hear the kindest words  
That can now be said to me,  
Than flattered when my heart is still  
And this life ceased to be.  
I would rather have a loving smile  
From friends I know are true,  
Than tears shed round my casket  
When I bid this world adieu.  
Bring me any flower today  
Be it pink or white or red.  
I'd rather have one blossom now  
Than a bouquet when I'm dead.
