***Being a Servant Leader.***

*In today's gospel, we hear Jesus telling his disciples that leadership is always about service. As leaders they were not to lord it over others or burden them, but to serve them and take their burdens on themselves. Real leadership is found in those who do the work, bear the burdens, serve from within and give themselves for the common good.*

*As adults we are all involved in the exercise of leadership in one shape or form, whether at home or in the work place. Like Jesus, we are invited to exercise this leadership for the good of others. This involves at times leading from the front, offering direction. At other times it may involve leading from the middle, offering support and encouragement. It may also involve leading from the back in order to keep people together so that no one lags behind.*

*On this Mission Sunday, may we be attentive to God's command 'to go forth and proclaim the Good News!' May we exercise our leadership role with courage and faithfulness~ Fr. Gerard*
