REFLECTION

Do Nothing

Do nothing every now and again,
It helps you to relax.
And let your thoughts go wandering
Along some mountain tracks.
Do nothing - it's quite wonderful.
Watch raindrops on the glass,
See the leaves float in the autumn
Sunbeams on the grass,
See the way the clouds keep moving
High above the trees.
Find a little peace and quite
Moments sure to please.
If your batteries need recharging
And life has lost its smile,
Be still and let the world go by
Do nothing for a while.

-Iris Hesselde
