LIVE LIFE

Life is not a race – it's a journey
 Be honest. Work hard. Be choosey.
 Say 'thank you' I love you' and 'great job'
 to someone each day.
 Go to church, take time for prayer.
 Let your handshake mean more than pen and paper.
 Love your life and what you have been given, it's not
 accidental.
 Search for your purpose and live it as best you can.
 Dreaming does matter.
 It allows you to become that which you aspire to.
 Laugh often.
 Appreciate the little things in life and enjoy them.
 Some of the best things in life really are free.
 Do not worry, less wrinkles are more becoming.
 Forgive, it frees the soul.
 Take time for yourself – plan for longevity.
 Recognise the special people you've been blessed to know.
 Live for today, enjoy the moment.
 This too will pass. ~Etienne de Grellet
