World Day of the Poor 2024

Sunday 17th November 2024 will mark the eight year since the Pope established the day in 2017, and on this Sunday he will eat lunch with 1,300 poor people. In his message for the 2024 World Day of the Poor, Pope Francis noted that war-driven "bad politics" generates new poverty and innocent victims. He urged everyone to pray with and for the poor, and highlighted that volunteers continue to devote themselves to serving the poorest in our cities, embodying God's response to the cries of those in need.

*Lord Jesus, help us to be your ears
to listen to the cries of the poor,*

*help us to be your voice speaking out love and acceptance,
help us to be your feet walking beside those in need,*

*help us to be your hands to cloth, feed and shelter them. You came
for the least, the lost and last of our world, you who live and reign
for ever and ever.*

Amen.

**World Day of Remembrance
for Road Traffic Victims.**

This Sunday 17 November 2024, we remember those who lost their lives on the roads or who were left seriously injured, and also thinking of their families. We will remember them in our prayers & masses over this weekend. May St Christopher direct & guide us always on our travels.

They who sing, pray twice!

This proverb with which the General Instruction of the Roman Missal introduces its section on "The Importance of Singing at Mass". The choir and those who lead us in sacred song fosters the active participation of the people in singing. All of us as the People of God who gather, are instructed by the Apostle Paul to sing together psalms, hymns & spiritual songs. Singing is the sign of the heart's joy. Thus St Augustine says rightly, 'Singing is for one who loves'. For all who leads us in song & music in our parishes, we sincerely appreciate your generosity and giftedness. St Cecilia, Patroness of Music pray for us.
