## The Kingdom of God

"The Kingdom of God is a space. It exists in every home where parents and children love each other. It exists in every region and country that cares for its weak and vulnerable. It exists in every parish that reaches out to the needy.

The Kingdom of God is a time. It happens whenever someone feeds a hungry person, or shelters a homeless person, or shows care to a neglected person. It happens whenever we overturn an unjust law, or correct an injustice, or avert a war. It happens whenever people join in the struggle to overcome poverty, to erase ignorance, to pass on the Faith.

The Kingdom of God is in the past (in the life and work of Jesus of Nazareth); it is in the present (in the work of the Church and in the efforts of many others to create a world of goodness and justice); it is in the future (reaching its completion in the age to come).

The Kingdom of God is a condition. Its symptoms are love, justice, and peace. Jesus Christ is king! We pray today that God may free all the world to rejoice in his peace, to glory in his justice, to live in his love".

*Gerald Darring*

As we celebrate the Kingship of Christ today, let us remember the truth that he is not our King if we do not listen to him, love him, serve him, and follow him.

We belong to his Kingdom only when we try to walk with him, when we try to live our lives fully in the spirit of the Gospel and when that Gospel spirit penetrates every facet of our living.
