Tens of thousands of children have lost their lives because of war this year, many of them in the Holy Land where the tragedy continues. This November as we remember our deceased loved ones and all who have died, Pope Francis has asked Catholics to pray especially for parents who mourn the loss of a child. Our prayers for the dead remain the great lifeline between those of us who are alive and those who are now gone home to God. When the dying St Monica said to her son Augustine, 'All I ask is that you remember me at the altar of God' it was recognition that prayer remains an unbreakable bond, between the living and the dead. It ensures that as long as we remain live, they too live as part of us. *Paul C –Lea*

Please Note: At a Diocesan meeting during the week Michelle O'Riordan Data Protection Officer for the diocese advised parishes with live streaming in their churches that from now on it should only be active during live services eg (Mass, Rosary).
