Moyvane Tidy Towns increased its mark again this year going from 316 to 324 points. Congratulations to all the hard working and dedicated Tidy Towns sub-committee members, as well as all the other volunteers who helped in any way with the Tidy Towns work over the past number of months. Thanks to everyone involved in this community effort: the RSS participants who assist with work throughout the village, all residents who maintain their homes, their business premises and their own part of the village. All the work and effort is really appreciated.
