Thought for the day: It is possible to contrast the various philosophies and religions as systems of ideas and as ethical paradigms. What is distinctive of Christianity, however, is the centrality of the person of Jesus. In his own ministry, he proclaimed the Good News of the reign of God. The Good News for Paul is Jesus' death and resurrection. Christianity is different: we have not only a message but a person to proclaim. **Prayer:** O Christ, you stand at the very centre of our existence as believers. Show yourself to us and help us to know you, love and serve you. Amen.

Pope Francis on X: Prayer opens our hearts to the Lord, and the Holy Spirit changes our lives when He enters. We should therefore pray, so that our hearts are opened to make space for the Spirit.
