Then you register and follow online instructions. Thank you.

*Thought for the day...*

Be thankful you don't have everything you desire. If you did what would there be to look forward to?  
Be thankful when you don't know something for it gives you the opportunity to learn.  
Be thankful for the difficult times. During those times you grow.  
Be thankful for your limitations because they give you opportunities for improvement.  
Be thankful for your mistakes, they will teach you valuable lessons.  
Be thankful when you're tired and weary because it means you've made a difference.

A life of rich fulfilment comes to those who are also thankful for the setbacks.

Find a way to be thankful for your troubles and they can become your blessings.

Without darkness, we may never know how bright the stars shine.  
Without battles, we could not know what victory feels like.  
Without adversity, we may never appreciate the abundance in our lives.  
Be thankful, not only for the easy times, but for every experience that has made you who you are. ~ Julia-Ann
