**MERRY CHRISTMAS & HAPPY NEW YEAR!**

*Today is your day.*

**This new day is too dear,  
with its hopes and invitations,  
to waste a moment on the yesterday.**

~Ralph Waldo Emerson

**Reflection**

**Don't Worry -**

If only the people who worry about their misfortunes, would think about the riches they have, they would stop worrying. Would you sell both your eyes for a million dollars? Or your hand? Or your hearing?

Add up what you have and you will not sell them for all the gold in the world.

The best things in life are yours, if you can appreciate yourself. That's the way to stop worrying and start living! ~Dale Carnegie
