Dear Friends, As Pope John Paul II said, “Prayer can truly change your life, for it turns your attention away from yourself and directs your mind and your heart towards the Lord...If we keep our eyes fixed on the Lord, then our hearts are filled with hope, our minds are washed in the light of truth, and we come to know the fullness of the Gospel with all its promise and life.”

January is a time for renewal and new beginnings. We make commitments to live better, healthier, more faith-filled.

Here are our top 5 recommendations for a more peace-filled year:

1. Choose Quiet - Noise can distract us, drowning out the voice of the Holy Spirit. Find a quiet place to reflect each day. 2.

Choose Prayer - Whether you read daily from the Lives of the Saints, pick up a rosary, or meditate on the Gospel, find a way to strengthen your relationship with Christ. How are you working towards a Christ-centered life?

5. Choose Peace - It may seem selfish, but putting your peace first, on occasion, is necessary. Setting healthy boundaries for the people that bring drama into your life can be difficult to do, but will provide peace, and help you protect yourself from unnecessary pain and disruption.
