Reflection

Happiness

When I was five years old, my mother told me that happiness was the key to life.

When I went to school, they asked me what I wanted to be when I grew up.

I said 'Happy'

They told me I didn't understand the question.

I told them they didn't understand life.

~John Lennon

Happiness is the art of never holding in your mind the memory of any unpleasant thing that has passed. ~Anan

*"It's not happy people who are thankful;
it's thankful people who are happy".*
