Sacristy Opening Times

Tuesday - 10am to 12 Noon and Saturday - 10am to 12 Noon

***** Feast of St Valentine - 14 February ***** 

St Valentine is probably most famous for being the Patron Saint of those in Love but perhaps less well known is his patronage of Beekeepers. Don't forget you don't need to own beehives to earn this noble title. Simply stop using harsh pesticides in your gardens, grow flowers predominantly coloured blue, purple, white, and yellow as the bees see them more clearly, and recognise that guarding the habitat of bees is guarding our planet's future. When you see your happy pollinators buzzing around your gardens and window boxes, know that St Valentine is blessing your endeavours. Happy beekeeping!
